RESPONSE TO OFFICE ACTION MAILED JUNE 4, 2002

United States Patent and Trademark Office
P.O. Box 2327
Arlington, VA 22202

Dear Sir:

In response to the Office Action mailed June 4, 2002 (Paper # 4), please amend the above-captioned patent application as follows:

IN THE CLAIMS:

Please amend the following claims:

1. (AMENDED) A method for manufacturing a high-temperature fuel cell,
comprising:

manufacturing a cathode;

applying at least one electrolyte and anode; and

thermally treating a whole construction of the high-temperature fuel cell, wherein after manufacturing the cathode, a step of applying an interface layer, a current passage, the electrolyte, the anode and an electrical insulating layer is performed using the same apparatus, and wherein
